

PREVENTATIVE VISIT POLICY

- Annual physicals are preventative visits, and **NO** refills, referrals or problems will be addressed during this visit.
- Please do NOT call or message us after preventative visit for refills or referrals.
- Separate appointments will be required for any of these mentioned reasons.
- Gyn visits are scheduled separately.
- All chronic medications require minimum every 6 month follow ups before you run out of the medication. Schedule these ahead of time.
- No labs are ordered ahead of visits.
- If you want lab draw on our site it will be sent to Bio Reference lab. Let us know if you would like to go to LabCorp or Quest. It is patient responsibility to check with their insurance ahead of visits if their labs are covered as we do not bill for labs neither hold any responsibility to ensure coverage.
